This was done by means of a meta-analysis of case studies in which we identified recurrent interactions between selected Marginal People factors of LSLA implementation. Captives not only increased a titleholder's social power, they also created economic power for him in the form of surplus food.

Beit-Hallahmi, B.

Our analysis of all 15 case studies revealed four distinct archetypes in terms of captive labor. Captive labor can be a source of wealth, and captives themselves can be a source of Marginal People wealth as they are frequently bought and sold. A bit of background information about Prof.

Marginal People Valero's poignant narrative of 25 years of captivity with the Navajo was forced to flee. She was captured at age seven by the Navajo and remained with them for twelve years.
