The authors deal with this topic within the context of the calling of Christians to be servants of God. Other than some generational and geographical Prime pastored in the UK gaps, I found this book extremely helpful. This would be a great book to read as an elder team, a church staff, or in future leadership training.

Thereisanemphasisonpreparationbuttherealgoldisthedescriptionandgc Whether one is seasoned or just getting started in the calling and work of pastoral ministry there is a great need for outlining the priority of ministering at home and our need for rest, as well as identifying and acknowledging the perils and privileges of ministry. In order to show how these convictions look in the life of the pastor the authors deal with a wide range of subjects. I gave it four and not five stars because their isn't a ton of entirely new information, nor is the book exhaustive for any one specific subject.
