Here we slew the forest and builded us giant habitations  
astride the road from Nowhere to the southeast commodious to  
lodge an army and fitly loopholed for discomfiture of the  
adversary. Pick this up and sit at the feet of a master. The  
artist himself sat near by, narrowly watching me, which I did  
observe.

permits us to read them. The desire to know whether or not a  
woman is cursed with curiosity is one of the most active and  
insatiable passions of the masculine soul.
