The majority of this work had little to do with film. And, this also suggests that works of art, including films, should accord with the form of interaction between the Imagination and Understanding which occurs within the harmony of the faculties. This indefinite purposiveness, when perceived in a landscape or work of art, is particularly important because it makes the Imagination and Understanding interact equivalently and therefore causes both to engage in an activity which is law-like and free.

As a consequence of all this Bergson came to the conclusion that the authentic... Finally his chapter on film in his *The Specificity of the Aesthetic* was translated into English for the first time in Aitken. With no other resources at his disposal, Sylvester forges a dangerous alliance with the cyborg crew of the starship *Nostalgia for Infinity*.
