Daring, unpredictable, and wielding magic Kellen has never seen before, she may be his only hope. Worse, if the author gets the foreign language wrong. So what?

The last department I want to have major issues with! Their story had a Romeo and Juliet type vibe going for it, what with the forbidden feelings and eventual romantic affair that transpired between the two. The book is a steampunk novel set in an alternate historical universe involving a beautiful, kinky tinker named Cornelius Stevens who saves an enemy soldier using clockwork parts. When the prima ballerina swept into his life with her affection, bright laughter and graceful movements, he knew that she was the reason for his existence, and that their love would be forever.

Still, if you want some fun steampunkish light reading then you could do a whole lot.
