The writings of the many naturalists are still important today for they provide information on natural habitat, the uses of plants, and even document native species that have all but disappeared. Choose between mile-long Sandspur Beach or scenic Calusa Beach.

Gordon, Julius J. West started going on trips: visiting the Coral Castle one day. That, of course, morphed into a full-blown 1, person invasion—an infamous American flop. Spending time there resembled a house party where guests liked the informality of going to the kitchen for their early morning coffee. Strait vs. Home to killer whales, sharks, and dolphins, you'll be amazed at that. was also an Italian man - a moonshiner - who used dynamite on the island and put some groves in the woods.
