What you are describing is going backwards socially, not destroying and rebuilding. And when you get pushback to these questions, reframe the negative answers with possibilities. Only you had control of what the entry would say as a finished product. Company But then things started to change for me. You wrote about how everyone must strive to reach their potential by breaking the mold in essence at least which is not new or exciting news. You know you've done well when you focus on making the moment in front of you the best moment it could be. This is a one-way ticket to unhealthy relationships and eventual misery. If it die, it bringeth forth much fruit.
