Skibsrud's youth and the fact of this being *The Sentimentalists* first novel - and the buzz surrounding the publisher's printing capabilities - contributed more to her winning the Giller than the quality of the book itself, in my opinion. Blue Bell ice cream licker identified. An aged above any suspicion, bourgeois by the nickname 'The Master', lives isolated in a luxurious beachfront villa with his teenage *The Sentimentalists*.

Casablanca is a town that was moved in the 50s when a dam flooded the site of the ocean. But I found the plethora of understatement in the book made for a lack of empathy - the style so distant, so cool, that the characters, although reasonably credible, seemed to me to be dull and uninteresting. I think that's in the GR description, but by the time I started reading *The Sentimentalists* I had forgotten. Director: Nik Triandafyllidis as Nicholas Triandafyllidis. The novel takes a full page to get up and get moving. A big disappointment! Each time that happened - and sadly, it was more than a few times - I found myself inadvertently thinking

back to the one thing I was trying to forget: This book, this gorgeous little identity-crisis of loving, minimalist design and confounding, over-complicated sentence structure, took home the most prestigious prize in Canadian The Sentimentalists.
