The correspondence, conducted in a mixture of French and
German, reveals the intense friendship between Sibelius and
Newmarch, sheds detailed light on Newmarch's contribution to
the development of musical life in Britain, and provides some
of Sibelius's most intimate commentary on his own works, as
well as on those of other composers. Katie has always been a
strong, passionate, sensitive and independent woman but even
she has been pushed to her limits.

In my review of the first book in this series, I made mention
that I feared that the author didn't make his main character
"rabbity". This series is becoming very interesting and
explores racial concepts very. Archived from the original on
