Navy aircraft carrier receive last minute instructions before taking off to attack industrial, and military installations in Tokyo. This shortage occurred among European as well as African personnel; and in Southern Rhodesia, where white railway workers had hitherto been laid off at will by their employers because of the availability of replacements, they were now at such a premium that they were able to form unions,58 previously resisted by employers and Government. The immediate consequence for Africa of the declaration of war in Europe was the invasion by the Allies of Germany's colonies. GenerallytherefollowedadepressioninthepricespaidforAfrica'sprimar Eisenhower George S. Neil Ritchie.
