The firing was a result of hostile fire seen or received from civilian positions or fire directed over their heads or near them to control their movement. The President and many in Congress hoped that the Strategic Air Command, armed with atomic bombs, would deter the Soviet Union from even starting such a war. Unable to man fully all units according to authorized personnel strength levels, the Army, by July had eliminated entire units or some units' subordinate elements. ReviewTeam provided the ROK Review Team with copies of all relevant documents. To learn more about how to request items watch this short online video. When enemy forces returned, they were ambushed

or destroyed with artillery fires.
