No Larissa. The plot is intriguing though at times it is hard to keep up with all the different characters and how they fit. There are no big, gory descriptions of the murders, instead a general feeling of dread and unease. Condition:New. Kimmo is increasingly distracted by recollections of his wife's death in this same hospital. The death marks the start of a series of killings, with the unknown patient at their centre. ItemInformationCondition:.The plot did not really catch me. I read his first book, Ice Moonback in when it was first translated into English.
