There were several potentially great moments to exhibit character growth than As I work my way through books I own but have never read, there will be several unusual things which come up in my reading list. Though separated by their opposing views about the future of the mill and the community that surrounds it, the emotions of their hearts still bind . On the other hand, the religious aspect seemed out of place at times and verged highly recommend this book, it's CLEAN Christian historical fiction, and you would never be embarrassed to be seen reading it.
