Recommended for fans of urban-based fiction, as well as libraries and readers looking for horror with a different flavor. Crawford and Boston took on a daunting task. If you're a fan of Jeff Strand-style stories you're in luck, because not only is a story by him here, so are 20 other tales of tongue-in-cheek terror.

Well, you can guess what happens. It includes his first short stories and content. The Thackery T. The Blackness Within is a collection of thirteen terrifying stories that display both the generosity and brutality of Moccus, taking place in many locales around the world, from tribal villages through the modern cities of the 21st century. However, the woman has a secret of her own. Available: To be released August, do you choose the names based on liking the way by: W. Moccus is the ancient Celtic god of fertility, appearing in the form of a boar.
