Faktorenanalyse u. Die Welt However, the maintenance by many Member States of transitional restrictions on the free movement of workers from the new Member States can also act in some cases as an obstacle to the optimal use of available skills resources[51] in the enlarged EU.

WierealistischistdieseshoffnungsvolleProjekt? The Commission will look at the possibility of proposing measures in areas such as the transferability of pension rights, the recognition of qualifications or mechanisms to ensure that researchers or other professionals who have worked in the EU can keep in touch with their former colleagues to facilitate voluntary returns and help them reintegrate successfully. An obvious

response to the phenomenon of brain drain is for the EU to better use its own, existing skills resources. Most donor have already taken some steps in this direction, but more can be. Such rates cannot be called cheap.
