Especially well done is the grandiose figure of Miles  
Naismith. The titles are as follows: Etienne Vorsoisson.  
If you want to force a particular order, use the character to divide the number.  
The spaceships employ artificial gravity and can sustain large  
accelerations, allowing them to cross from one wormhole to  
another in a matter of hours or days. Beta Colony, in  
contrast, offers ethical genetic treatments and psychotherapy,  
but even their medical experts may wrongly think they have the  
right to intervene if they believe someone to have been  
subjected to mind-altering treatments. It was the second novel  
written in the series, after Shards of Honor.
