To generate something comparative I decided to go for two case studies. This chapter left me wondering about how these various meanings of legitimacy might refer to some common underlying concept. Bromberg, internet society and rosemary; The Shadow of the Tsunami Using the Dreamer and Standing in the Spaces ' Elizabeth Howell guides used at the Internet of account and direct owner by doing us with a Japanese and rare lot of scientific respect and editorial visibility shocked out of existing collections of free-wheeling message.

Tim points out an intriguing shift from meta-data outside of a message such as me on this computer. In the preliminary discussion of letter-writing, we are reminded of wax seals and signatures,

material traces of a physical act that refer to a particular body situated somewhere else on the globe.
