What if the rider chooses to ride in tandem or at the very outside edge of the bike lane? Thanks Angela. The driver of a vehicle overtaking a bicycle traveling in the same direction shall pass to the left of the bicycle at a distance of not less than three feet at a careful and reduced speed, and may not again drive to the right side of the The NEW 3-Foot Rule until safely clear of the overtaken bicycle. It was really good. Looking forward to the class. Thank you Angela in leading the way! Never did like the 3ft.

The detractors have a point; in Boulder County, Colorado, law enforcement can wear earphones or headphones, but must have one ear open to traffic at all times. Thanks BikeMN Bicycle Alliance of Minnesota for pushing the legislature to update the law making it easier for bicyclists and motorists to Share the Road.
