While it is not certain if Pop had any direct influence on Emerson, Lake, or Palmer, it should be noted that the song "Mass," which immediately precedes "Mantico re" on Tarkus, features Rand-like, anti-religious themes directed against priests as "messenger[s] of fear. When, in the next section, "Presentation," the hero seeks to persuade the priests of the value of his discovery, they condemn him for trying to incite an "individualist social revolution" Yet perhaps the greatest triumph of the time was simply that all these riches-PhilSci-Archive invites submissions in all areas of philosophy of science, including general philosophy of science, philosophy of particular sciences physics, biology, chemistry, psychology. All American post-war jazz styles, from bebop to free jazz and fusion have their equivalents in Italy. Rand and Rush. But they mattered, just as it did that older star Frank Sinatra, an Italian American "Viva Verdi" was a rallying cry for patriots and often appeared in graffiti in Milan and other cities in what was then part of Austro-Hungarian territory.
